Noise-cancelling microphones

Connect 2 devices via USB and Bluetooth®

Plug-And-Play

**FEATURES**

**BENEFITS**

Jabra Air Comfort Technology

Keeps you out-of-this-world comfortable, with a pressure-relieving, ultra-soft foam headband, and fitted earcups that move with you.

Active Noise Cancellation

Cancels surrounding noise, for better concentration & clearer calls and music.

Noise-cancelling microphones

Our noise-cancelling microphone technology filters out noisy surroundings, so you're heard loud and clear even if you're taking calls in loud locations.

One headset for work and play

Evolve2 50 does it all - boosts your efficiency with 360° busylight and noise-cancellation technology to help you focus on the task at hand. Meanwhile, 28mm custom speakers deliver rich sound for your music when it's time to relax.

Plug-And-Play

Fast and flexible setup makes things easy, and dual connectivity lets you connect to your laptop with the USB cable and to your phone via Bluetooth at the same time for seamless switching between calls and music.

Certifications

Evolve2 50 is optimized for the best-possible virtual collaboration, with a Microsoft Teams variant and an option that works with other leading platforms including Google Meet & Zoom.

**EVOLVE2 50**

**Unleash hybrid productivity**
