Hide-away microphone arm

FEATURES

BENEFITS

Fold-and-go design

Get portable with a collapsible headset that fits into even the smallest bag. Slip it into the soft sustainable pouch and you're instantly good to go.

Hybrid Active Noise Cancellation

Cancel noise so you can stay focused, with our best-in-class noise-cancelling technology and memory foam-padded earcups to block out unwanted sounds.

Jabra ClearVoice

Be heard more clearly on calls with our specially-designed microphone technology that reduces the noise around you.

Jabra Air Comfort technology

Comfort is key, so our foam-filled, pressure-relieving headset has flexible ear cups and an ultra-soft and gentle fit that feels out of this world.

360° busylight

Get some time to yourself with a glowing busylight that shows everyone you're busy without saying a word.

Hide-away microphone arm

A hide-away microphone arm lets you switch between professional and personal. Just lift or lower the arm to answer and decline calls, adjust volume, mute, and access Microsoft Teams in an instant, and flip it up when you want to listen to music without looking like you're about host a TED talk.

Rechargeable battery

Enjoy all-day wireless calls and music with up to 20 hours of battery life¹

Certifications

Choose between two variants, one optimized for Microsoft Teams and another that works with Zoom and other major meeting platforms. With wireless range of up to 30m/100ft and Plug-and-Play connectivity, you can enjoy high-quality collaboration wherever you are.
