The bendable, pre-paired Link 400 DECT adapter delivers flexible and durable connectivity

Connectivity >

**FEATURES**

**BENEFITS**

Outstanding wireless range

Stay seamlessly connected up to 150m/490ft away from your laptop, while the compact USB DECT adapter also makes it easy to move about with your laptop during calls.

DECT wireless security

Engage 55 is DECT Security certified beyond the DECT Security Step C level with additional FIPS military-grade 256-bit encryption algorithms, to make sure your conversations stay private.

Professional-grade conversations

An impressive noise cancelling microphone helps block out background noise and keeps you sounding professional. The speakers are optimized for speech clarity, while wideband audio delivers crisp, crystal clear, natural-sounding calls.

Easy USB connectivity

Just plug the pre-paired Link 400 adapter into your laptop and you're good to go. With this easy-to-use, single-connectivity headset, you're never more than a few seconds away from your first call.

Lightweight comfort

Engage 55 is lightweight and engineered to feel non-clamping, avoiding discomfort and heat build-up. This means you can rely on your headset to help you stay cool and comfortable all day.

Certifications

Works with leading UC and contact center platforms and is also available in a Microsoft Teams-certified variant for seamless collaboration.

**ENGAGE 55**  
**Portable. Productive. Professional.**
